### **NDIS Goals:**

Using the example below please outline the NDIS goals from the participants plan to ensure that supports are aware of what the NDIS have approved in funding to justify for our services. Not all the goals will relate to the service but can provide an idea of what the participant wishes to achieve overall during the plan period. This will also be referred in the progress notes and service provider report for documenting responsibilities.

SMART Goal  E.g. I would like to increase and maintain my independence and daily living skills	<ul> <li>How will this be achieved</li> <li>Support Coordinator to link and assist (participant) in engaging with services appropriate to her needs.</li> <li>Occupational therapist to help (participant) to identify strategies, assistive technology or adaptive aids to promote independence and participation in daily activities.</li> </ul>	Short/Med/Long Term (Short to Long Term)

### **Additional Services Engaged With:**

Please list below who else the participant is engaged with, and if GTS Care need to contact them on behalf or with the participant during i.e. participant requires support to attend a medical or allied health appointment as part of their independence and meeting their health and well-being. Can list General Practitioner, Mental Health Worker, Occupational therapist. Don't need to outline a lot of information as this will be revisited in the GTS Care Individual Support Plans. A consent to share or obtain information will be required to be signed when signing the service agreement.

### **Behaviours of Concerns:**

If there are presenting Behaviours that may be barriers to service implementation, it is important that we are aware of what they are so we are able to plan how we best support the participant and also more importantly match the right worker with the participant. A copy of the BSP Interim Plan, Functional Behavioural Comprehensive Plan may also be provided along with the RFS/Referral.
